

Workshop on Expanding Spectrum of HER2 Positivity in Breast Cancer

Dear Dr.

On behalf of the Molecular Pathology Association of India (MPAI) and IAPM-Jammu Chapter, we are pleased to invite for the **"Workshop on Expanding Spectrum of HER2 Positivity in Breast Cancer"** as a delegate scheduled on **3rd December 2025** from **02:00 PM to 05:00 PM** at **Government Medical College, Jammu**.

As the world advances toward Precision Oncology, accurate biomarker assessment becomes critical, and the healthcare system is moving away from a singular approach for all towards treating diseases with an increased focus on personalized medicine. Considering the dynamic landscape, it is essential for pathologists to update their knowledge and skills about accurate biomarker testing and reporting.

Please join in the workshop to understand, learn and enhance your skills on HER2 low & HER2 Ultra-low scoring and interpretation in the era of new ADCs. This workshop will provide an opportunity to interact with Dr. Sangeeta Desai, an expert oncopathologist in India, and you will be receiving a participation certificate from the MPAI and IAPM.

Thanks & Regards

Dr. Neeraj Arora

Secretary

MPAI (Molecular Pathology Association of India)

Warm welcome

Dr Jyotsna Suri

Workshop Director &

Organising Secretary APCON 2025

Workshop Agenda

Our Faculty Members

Dr. Sangeeta Desai
Pathologist

Dr. Sunny Jandyal
Medical Oncologist

Dr. Jyotsna Suri
Pathologist

Session Time	Topic	Faculty
	01:00 PM Onwards	Lunch
02:00 PM - 02:05 PM	Introduction and context setting	Dr. Bhavneet
02:05 PM - 02:25 PM	Treatment landscape of HER2 spectrum Breast cancer	Dr. Sunny Jandyal
02:25 PM - 02:45 PM	Precise pathological diagnosis of HER2 Low and Ultra-low expressing breast cancer	Dr. Sangeeta Desai
Hands on HER2 scoring and Intrepretation		
	Group 1 Pathologists	
	Group 2 Pathologists	
02:45 PM - 03:30 PM	Group 3 Pathologists	
	Group 4 Pathologists	
03:30 PM - 03:45 PM	Tea Break	
03:45 PM - 04:05 PM	Expert review and comments on the reports of all the patholgist	Dr. Sangeeta Desai
04:05 PM - 04:55 PM	Discussion on practical considerations and challenges in HER2 low and Ultra low scoring and intepratation	All Pathologists
04:55 PM - 05:00 PM	Conclusion and Vote of thanks	Dr. Jyotsna Suri
	Group Photo session	
	Refreshments 5:15 PM Onwards
